[Approved by Governor October 4, 2005. Filed with  
Secretary of State October 4, 2005.]

#### **LEGISLATIVE COUNSEL'S DIGEST**

SB 719, Romero. Police pursuits.

(1) Existing law provides for compensation to crime victims, as specified, from the Restitution Fund, a continuously appropriated fund.

This bill would include as qualifying as a crime victim for those purposes, injury or death caused by any party where a peace officer is operating a motor vehicle in an effort to apprehend a suspect, and the suspect is evading, fleeing, or otherwise attempting to elude the peace officer.

By expanding the uses of a continuously appropriated fund, this bill would make an appropriation.

(2) Existing law requires the Commission on Peace Officer Standards and Training to implement a course or courses of instruction for the training of law enforcement officers in the handling of high-speed vehicle pursuits and to develop uniform, minimum guidelines for adoption by California law enforcement agencies for response to high-speed vehicle pursuits, as specified. Existing law expresses the intent of the Legislature that all local law enforcement agencies adopt those guidelines as a minimum for the agency's pursuit policy.

This bill, instead, would express the intent of the Legislature that each law enforcement agency adopt, promulgate, and require regular and periodic training consistent with an agency's specific pursuit policy that, at a minimum, complies with the commission's guidelines.

(3) Existing law specifies certain content for the California Driver's Handbook and examinations for a driver's license.

This bill would require the Department of Motor Vehicles, upon updating the handbook, to include at least one question in any of the noncommercial driver's license examinations of an applicant's knowledge and understanding to verify that the applicant has an understanding of the risks and punishments associated with eluding a pursuing peace officer's motor vehicle.

(4) Existing law makes it a misdemeanor, punishable by imprisonment in a county jail not exceeding 6 months, for any person while operating a

motor vehicle to intentionally evade and willfully flee or otherwise attempt to elude a pursuing peace officer's motor vehicle or bicycle under certain conditions.

This bill would make that offense a misdemeanor punishable by imprisonment in a county jail not exceeding one year. By increasing the punishment for a crime, this bill would impose a state-mandated local program.

(5) Existing law makes it a misdemeanor punishable by confinement in a county jail for not more than one year or a felony punishable by imprisonment in the state prison for 3, 4, or 5 years or a specified fine for any person who commits the offense described in (4) above and proximately causes serious bodily injury, as defined, or death to any person.

This bill would increase the term of imprisonment in the state prison as follows:

(a) A term of 3, 5, or 7 years or the specified fine, or both the fine and imprisonment where the offense involves serious bodily injury.

(b) A term of 4, 6, or 10 years in the state prison where the offense involves a death.

(6) Existing law establishes the California Traffic Safety Program, to include state and local programs, as specified.

This bill would require all traffic safety programs that receive state funds and that include public awareness campaigns involving emergency vehicle operations to include in the public awareness campaign, information on the risks to public safety of peace officer motor vehicle pursuits, and the penalties that may result from evading a peace officer.

(7) Existing law requires each state and local law enforcement agency to report to the Department of the California Highway Patrol, on a form approved by the department, certain specific vehicle pursuit data, including, but not limited to, certain required data.

This bill instead would require the department to develop and approve a paper or electronic form that includes additional data, and would require that the report be made to the department no later than 30 days following a police pursuit, thereby imposing a state-mandated local program by increasing the level of services imposed on local law enforcement agencies.

The bill would additionally require the Department of the California Highway Patrol to submit annually to the Legislature a report regarding motor vehicle pursuits.

(8) Existing law provides that any public agency employing peace officers that adopts a written policy on vehicular pursuits that meets certain minimum standards, as specified, shall be immune from liability for civil damages for personal injury to or death of any person or damage to property resulting from the collision of a vehicle being operated by an actual or suspected violator of the law who is being has been, or believes he or she is being or has been pursued by a peace officer employed by the

public entity in a motor vehicle. Existing law makes the adoption of a vehicle pursuit policy pursuant to these provisions discretionary.

This bill would revise the minimum standards required for a written policy for the safe conduct of motor vehicle pursuits. These provisions would become operative on July 1, 2007.

(9) This bill also would incorporate additional changes in Section 13955 of the Government Code, to become operative only if AB 22 and this bill are both enacted and become effective on or before January 1, 2006, and this bill is enacted last.

(10) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

Appropriation: yes.

*The people of the State of California do enact as follows:*

SECTION 1. The Legislature finds and declares the following:

(a) Thousands of crime suspects flee each year often resulting in law enforcement officers in California engaging in motor vehicle pursuits. Many pursuits result in accidents, property damage, serious injuries, and death to innocent third parties, peace officers, and fleeing suspects.

(b) Motor vehicle pursuits of fleeing suspects present inescapable and inherent risks that sometimes offend public sensibilities.

(c) According to statistics from the National Highway Safety Administration, California has consistently led the nation in the past 20 years in fatalities from crashes involving these pursuits.

(d) California leads the nation in the number of innocent bystanders killed in these pursuits. A study by the National Highway Traffic Safety Administration indicates that in 2003 there were 46 deaths in California that resulted from high speed police pursuits of fleeing suspects. Twelve of the 46 deaths were innocent bystanders. Eighteen were passengers in the pursued vehicle, 15 were fleeing suspects, and one was a peace officer.

(e) Pursuit driving is a dangerous activity that must be undertaken with due care and with the understanding of specific risks as well as the need for a realistic proportionate response to apprehend a fleeing suspect who poses a danger to the public.

(f) Current law provides that a person operating a motor vehicle who is negligent in its operation may be liable for civil damages pursuant to Section 17150 of the Vehicle Code.

(g) The primary function of all law enforcement agencies is to protect the public against personal injury, death, or property damage.

(h) It is, therefore, the intent of the Legislature to enact legislation that guides instances where law enforcement pursuits are warranted so as to protect the public safety, lives, and property of the people of the State of California.

(i) It is also the intent of the Legislature to decrease peace officer motor vehicle pursuits through public education, enforcement, and regular and periodic training of peace officers.

(j) It is also the intent of the Legislature in enacting this act to eliminate any unnecessary risks that evolve from peace officer motor vehicle pursuits, and to ensure that law enforcement pursuits are conducted in the safest and most effective approach throughout California.

(1) Determine under what circumstances to initiate a pursuit. The policy shall define a “pursuit,” articulate the reasons for which a pursuit is authorized, and identify the issues that should be considered in reaching the decision to pursue. (A) Supervisory control and management of a pursuit that enters another jurisdiction.

(B) Communications and notifications among the agencies involved.

(C) Involvement in another jurisdiction's pursuit.

(D) Roles and responsibilities of units and coordination, management, and control at the termination of an interjurisdictional pursuit.

(12) Reporting and postpursuit analysis as required by Section 14602.1. Establish the level and procedures of postpursuit analysis, review, and feedback. Establish procedures for written postpursuit review and followup.

(d) “Regular and periodic training” under this section means annual training that shall include, at a minimum, coverage of each of the subjects and elements set forth in subdivision (c) and that shall comply, at a minimum, with the training guidelines established pursuant to Section 13519.8 of the Penal Code.

(e) The requirements of subdivision (c) represent minimum policy standards and do not limit an agency from adopting additional policy requirements. The requirements in subdivision (c) are consistent with the 1995 California Law Enforcement Vehicle Pursuit Guidelines developed by the Commission on Peace Officer Standards and Training pursuant to Section 13519.8 of the Penal Code that will assist agencies in the development of their pursuit policies. Nothing in this section precludes the adoption of a policy that limits or restricts pursuits.

(f) A determination of whether a public agency has complied with subdivisions (c) and (d) is a question of law for the court.

(g) This section shall become operative on July 1, 2007.

SEC. 12. Section 3 of this bill incorporates amendments to Section 13955 of the Government Code proposed by both this bill and AB 22. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 2006, (2) each bill amends Section 13955 of the Government Code, and (3) this bill is enacted after AB 22, in which case Section 2 of this bill shall not become operative.

SEC. 13. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution for certain costs that may be incurred by a local agency or school district because, in that regard, this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

However, if the Commission on State Mandates determines that this act contains other costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
